

**MIMACHLAMYS SANGUINEA - SUPER SELECTED  
QUALITY INABANGA 79.2 mm**

Quality: F+++/GEM I see no important flaws.

Collected: Collected by local fishermen between 15 and 30 meters off Inabanga, Bohol, Philippines, 2017. (Size from top to bottom)

Comments: It takes mutple dozens of shells to find one this quality. I know, I went through hundreds of them.
