

**Marmarostoma argyrostomus**

**Origin:** Pt. Quobba N.W. Aust.

**Author:** Linnaeus 1758.

**Size:** 58mm, 64.5mm.

**Grade:** F2/F3

*(Silver Mouth Turban)* Two nice clean specimens in shades of turquoise. Habitat is in the rough oceanic wave zone & only selective shells like these are not encased in thick encased marine growth.
