

Maculifera Hawaiiensis (Schilder & Schilder, 1937). Location: N Shore, Oahu, Hawaii. Grade: F+++/almost Size: 71.5mm. Notes: This Cypraea Maculifera Hawaiiensis was self collected on Scuba on a night dive in 30ft in a crack in the main reef just before the drop off. This Maculifera is WIDE, beautiful DARK BLUE base, nice slender shaped base, very THICK & HEAVY, just in overall WOW condition
