

**CYPRAEA MAURITIANA - TOP QUALITY DWARF
KOH RACHA YAI 44.3 mm**

Quality: GEM I see no flaws.

Collected: Collected by Gypsy diver at night at 2 to 4 meters on rocks at Koh Racha Yai Island, near Phuket Island, Thailand, January 2018.

Comments: It is not easy - say very difficult - to find this excellent quality. Most are really poor quality.
