

Cypraea Tigris Schilderiana (Cate, 1961). Location: E. Shore Oahu, HI. Grade: F+++ Size: 125.1x86.2wmm. Notes: This *Cypraea Tiger* was self collected on a night dive in 20ft sitting on the upper ledge of a drop off fully manteled and of course under water it looked 6 inches :).Biggest of the year so far, it has a rich dark PURPLISH/BLUE hue to it, nice FAT spots, very WIDE & FAT and HEAVY
