DESCRIPTION

This auction is for an Excellent Hawaiian Lettered Miter Shell--*M. literata*--Lamarck, 1811. This beautiful shell measures approximately 20.67mm by digital caliper and is in F+++ condition with excellent sculpting and nice color with a great pattern. This great shell has a juvenile lip present and has an outstanding protoconch, seldom found so. It is a large size for the species and this great specimen was found on the Windward Shore of Oahu at a 3 foot depth in rubble.
