

## **Drupa ricinus**

**Origin:** Anchor Isle. N.W. Aust.

**Author:** Linnaeus 1758

**Size:** 44mm

**Grade:** F2

*"Prickly Pacific Drupe / Spotted Drupe / Spider Like Drupe / Castor Bean Drupe"* Unique location piece. Very attractive pink aperture. Clean from marine encrustations & inclusions & displaying some minor erosion on the spire & last whorl. An uncommon jewel.
