

SEMIPALLIUM FULVICOSTATUM - COLOR SET OF 10 SHELLS KOH TAEN 31/46 mm

Quality: F+++/GEM I see no important flaws. Still a little shiny because I just put oil on them.

Collected: Collected in crab nets by Thai fishermen at around 5 to 10 meters off Koh Taen Island, near Koh Samui Island, Thailand, Nov/Dec 2015.

Comments: Very selected variety of colors in a very nice quality.
