

**SPONDYLUS OCCIDENS - VERY NICE OLANGO ISLAND ±
40 mm -**

Quality: NO RATING It would be hard to rate a Spondylus. But very nice quality. Size from spine to spine, only Spondylus.

Collected: Collected by local fishermen at 10 to 25 meters off Olango Island, Philippines, 2016.

Comments: It was hard to clean but the result is very nice.
