

**STROMBUS PIPUS - SUPER NICE KOH RACHA YAI,
THAILAND 51.0 mm**

Quality: F+++/GEM I see no important flaws.

Collected: Collected by Gypsy diver at 40 meters on sand and rubble off Koh Racha Yai Island, near Phuket Island, Thailand, December 2017.

Comments: Beautiful color and inside pattern. Quite different from the specimens from the Philippines and much smaller. Not very many are found.
