

Tellinella Crucigera (Lamarck, 1818). Location: S Shore, Oahu, HI. Grade: F+++/Gem or better. Size: 15.0x28.0wmm. Notes: This Tellinella Crucigera was self collected on Scuba on a day dive in 90ft burried in sand and rubble. This Tellinella Crucigera has an excellent sun ray through the clouds pattern, nice DARK and just found and cleaned out
