

Globivenus Toreuma (A A Gould, 1850). Location: S Shore, Oahu, HI Grade: F+++/almost. Size: 32.0x33.0wmm. Notes: This Globivenus Toreuma was self collected on a day dive in 65ft mixed in a pile of rusted metal which gave it this UNIQUE deep rusted coloration. Just found and cleaned out. Don't let this RUSTED COLORED Globivenus Toreuma through your fingers
